4. TAX WITHHOLDING ELECTION

Please complete this section only if you are transferring from another type of IRA to a Roth IRA.

Under IRA rules, a transfer of a Traditional IRA, SEP IRA or SIMPLE IRA to a Roth IRA is treated for income tax purposes as a distribution of taxable amounts in the other IRA. IRS rules also require the custodian to withhold 10% of the conversion amount for federal income taxes unless no withholding has been elected. See IRS Publication 505, "Tax Withholding and Estimated Tax" for more information. State tax withholding may also apply if federal income tax is withheld.

No income tax withholding Withhold 10% for income tax Withhold for income tax:

Important: Withholding income taxes from the amount transferred (instead of paying applicable income taxes from another source) may adversely impact the expected financial benefits of transferring from another IRA to a Roth IRA (consult your financial advisor if you have a question). Because of this impact, by electing to convert a Traditional IRA to a Roth IRA, you are deemed to elect no withholding unless you check the box above. In so doing, by signing this form, you acknowledge that you may be required to pay estimated tax and that insufficient payments of estimated tax may result in penalties.

5. CERTIFICATIONS AND SIGNATURES

I certify to the current IRA custodian or trustee that I have established a successor Individual Retirement Custodial Account meeting the requirements of the Internal revenue Code to which assets will be transferred, and I certify to First National Bank of Omaha that the account from which assets are being transferred meets the requirements of the Internal Revenue Code and that the transfer satisfies the requirements for nontaxable transaction. **The Internal Revenue Service does not require your consent to any provision of this document other than the certification required to avoid backup withholding.**

Medallion Signature Guarantee* (if required):

Some Custodians/Trustees require a signature guarantee to transfer assets. Please check with your Custodian/Trustee to see if they require a medallion signature guarantee. Failure to obtain a required signature guarantee may result in a delay in the transfer of assets.

* A signature guarantee can be obtained from a bank, broker-dealer, a credit union, a national securities exchange, savings association or other financial intermediaries that are members of an Approved Medallion Guarantee Program. A signature by a Notary Public is not acceptable as a signature guarantee.
